Open Vision... Strong Future

We've got a lot going for ourselves!

The community has adopted 'Open Vision... Strong Future' as our slogan.

Here's how we show the world that this slogan fits.

Open

- ◆ Open doors: The community is welcoming to new residents, visitors and businesses.
- ◆ Open to ideas: Working together to strengthen and develop, and position for the future.
- ◆ Open spaces: to build homes, to build businesses - to build a future!

Vision

- ◆ Vision of the future: When new industry in the region brings people and jobs.
- ◆ Vision of the need: For more housing, day care, services and recreation.

Strong

- ◆ Strong minds: Excellent K-12 school with capacity for growth; two regional colleges.
- ◆ Strong minds: Numerous religious organizations within community and region.
- ◆ Strong bodies: Recreation, arts and cultural organizations to satisfy all ages and interests
- ◆ Strong bodies: Medical services available through a clinic staffed 2 days per week; 24 hour ambulance; paramedics soon to be available; prescription delivery 2 days per week ; seniors housing plus level 1 and 2 care facility

Future

- ◆ New lots ready for residential and commercial property development
- ◆ Infrastructure is well positioned—excellent water with reverse osmosis; paved access via 3 highways; good cell phone coverage
- ◆ Options for downtown development under consideration

And we have....

- ◆ ***Strong leadership and a committed volunteer base!***
